Ebels'

2022 CHRISTMAS FAMILY NEWSLETTER

Merry Christmas to All!

We hope you had a good year with good health.

We have enjoyed our work in Dale Ebel Ministries this year. Dale has written many articles that relate the Bible to our culture on his blog: [www.daleebel.org](http://www.daleebel.org). He led a Zoom study, mentored men and consulted with pastors. I have led Bible studies for 18 years in a row...two Zoom groups for the last 13 years and just combined them this fall into one. Gals Zoom in from Oregon, Texas, Tennessee, Colorado and Idaho. I also do the office work. We are grateful to those who contribute to the ministry! It is our JOY to serve God in this way. Contributions can be made on our website or sent to our address shown at upper left.

We finally joined most folks and had Covid in May. Thankfully, it was not severe. We spent a fun Thanksgiving week in Seattle with Brandon's family. Sarah fixed a scrumptious meal and they smoked the turkey. Dale enjoyed attending a Seattle Seahawks game with Brandon. Our 55th wedding anniversary will be in July 2023. We are grateful to God for teaming us together for His glory all these years!

**Brandon & Sarah's Family:**

**Brandon** is enjoying running his record labels and being involved with some real estate and restaurants in Seattle. Recently his artist, Tasha Layton, was at #1 for Christian Radio. **Sarah** published her 11th novel, *With Love from London!!!*

**Josiah** is graduating from King's High School in May and is deciding where to attend college. **Evie** and **Petra** enjoyed soccer, and Evie was Junior Homecoming Princess. Our dear bonus grandsons played sports: **Carson** played HS Lacrosse and **Russell** and **Colby** are on basketball teams. Lots of activity!

Merry Christmas 2022

**Heather & Jeff's family:**

**Jeff** continues with their chiropractic practice and his enjoyment of cooking delicious meals, golfing and fishing. **Heather** manages their clinic and also sells real estate.

**JJ** graduated Willamette University College of Law this month and will take the bar in February! **Brock** and **Dale** have great discussions centered on the Scripture and current affairs. He enjoys watching sports and does home projects for us. He is in immunotherapy and we thank you for praying that our great God will use this therapy to heal him completely from Hodgkins!

**Max** moved to San Clemente, CA, where he works for Starbucks, attends online Arizona State University, and enjoys singing with his guitar on the pier some evenings. **Rowen** graduated from Lake Oswego High School and has a job with a painting company and attends a local college. **Selah** is a sophomore in HS. Last year she participated in pole vault in track. Before Max moved she and he did a lot of hiking together. She loves to fish with her dad.

**Seth & Vanessa's Family:**

**Seth** continues pastoring at The Shoreline Church of San Clemente. They moved recently and **Vanessa** is enjoying updating the home. **Jude** is a freshman at San Clemente High School. We will be celebrating his 16th birthday with them in February. We appreciate your prayers for a successful brain surgery for Jude in January. **Isla** has become a teen! She had a part in her school musical and sings very well!

Blessings and love  
to all,

Linda and Dale
